

The Current Financial Crisis and Competences to Address Problems on the European Market

One congress with two conferences / initiatives

Day 1 - 30.9.2010 (from 9:00 am)

MONTIFIC Conference

Linking Innovation to Governance

(Supported by MONTIFIC LLP-LDV-TOI-2008-HU-002)

and

Day 2 – 1.10.2010 (from 8:30 am)

ECQA Conference 2010

Linking Innovation to Industrial Growth and Success

(Supported by DEUCERT LLP-1-2009-1-AT-KA4-KA4MP)

**hosted by the Budapest Business School, Budapest,
Hungary**

Venue: Assembly Hall, Budapest Business School

29-31. Markó Street, H-1055 Budapest, Hungary

Local organisers: Dr. József Roóz (BBS) and János Ivanyos (Memolux)

The topics of the conference days are going around the relevance of good governance and innovation practices necessary for survival in turbulent economic conditions. The speakers are highly reputed experts from many different domains, representing wide range of organizations from public sector to automotive industry, from large companies to small enterprises. During the conference the attendees will receive information about the most recent outcomes of European funded MONTIFIC and DEUCERT projects supporting European level learning services for increasing human capabilities of innovation and governance.
